Fucking On The Weymouth Ferry

Chapter 1

A chance meeting brings back wet dream memories.

Gareth is travelling back alone to the UK from Jersey after spending two weeks with his wife and her ex sister in law Jo Guest. Wendy staying on for a extra three days of hardcore lesbian fucking. So travelling up on deck and enjoying the smooth crossing he notices a blast from his teenage wanking sessions, and many a wet dream.

'No it can not be. All The ferries in all the world she had to be travelling on the same one as me. Fuck she still looks hot to

trot!' Gareth said to himself almost climaxing in to his jeans.

Linda looks straight at him smiles as she walked up to Gareth her figure almost like the lady getting her tits out on page 3 or her kit off for either a softcore or a hardcore magazine.

'Hi Gareth!'

'Hi how do you know my name?' Gareth asked.

'A little horny part time dyke called Wendy.

You know your hot rug munching wife. She told me last month while you was in London shagging her mother about you wanking off over me getting my fucking tits out on page 3 or the

adult magazines!

‘How do you know Wendy?’ Gareth asked eyeing up Linda’s coat and wondering if she was wearing only skin under it

‘Me and your rug munching wife are old friends we did some porn together. When Wendy learned from your step mum about you wanking over me they reached out and wanted my help to make all those dirty teenage wet dreams about me become real!’ This did not shock Gareth about his wife or his step mum.

‘Gareth you have a big birthday coming up so both me, your step mum and Wendy decided to set this up So follow me!’

Chapter 2

Is this just fantasy or is it reality.

Gareth grins thinking he will wake up any moment and find this is a dream as he lays spooning with his wife Wendy and their shared lover her ex sister in law.

Soon he would find out this was no wet dream this was happening for real.

Linda starts to open her coat but then stops.

'Gareth this is no place for your private wet dreams and wanking fantasies so come with me and I will reveal what is on

under this coat!' Linda remarked taking Gareth by the hand and then led him to a dead end passage way.

Chapter 3:

Fuck this is really happening all my teenage wet dreams are coming true:

Linda is opening her coat has she walked then turning around holding it open she reveals she is naked underneath the coat.

'Well Gareth are you going to fuck me just like in your teenage wet dreams or stand there and wank off?' Linda Lusardi asks already noticing his bulge in the front of his jeans.

Gareth walks up to Linda Lusardi unzipping his jeans so that his cock was on full view Linda grins 'Fuck your bigger than my

own husband Peter North and he is fucking hung like a fucking horse no wonder Wendy and Jo boasts about sucking your cock and your skills in the sack!' Linda then sank to her knees to give Gareth a quick blow job to get his dip stick nice and slick so that he will slide in to her shaved pussy with ease. Linda is soon slurping and gagging on his rod as she takes it all the way down her throat.

After sucking Gareth for a short while Linda stands back up and they fuck up against the side of the ferry Gareth sucking on Linda's tongue as he pumps her pussy.

Soon Linda screams has a orgasm rips through her body, and then she is followed by Gareth who with a loud scream shot his load deep inside Linda.

Has he pops Linda feels his creamy hot spunk splash against the side of her pussy even making her squirt again.

Chapter 4

The Reality Is Just Starting.

After they had finished fucking they tidy them selves up then head to get a coffee and chat about how Linda and Wendy had first met. It turns out that Linda and Wendy had met through Jo and had become lover and at the time Linda was on page 3 getting her tits Linda was also screwing Jo who was also fucking Wendy so we were in a three way lesbo lick fest triangle.

Once the ferry arrived in Weymouth they shared a kiss then

Gareth heads off to be collected by his sex crazed Cougar he
call his mother in law while Linda once off the ferry makes a
quick phone call to Wendy.

'Linda it was the best thing I did reaching out for you to become another of my husbands friends with benefits so with you around when Jo comes over you can take him away and deprive that fucking skank of his cock!' Wendy remarked with a grin.

The old friends know Jo would never over step the mark and it is all friendly banter between Jo and Wendy over Gareth and his cock. Jo had never forgot the night Gareth took Wendy in after she had got her away from Jo's brother.

Jo had even said to Linda last night 'that after Gareth had

headed back to the main land Wendy had been worried about what we had done to Gareth she was worried she had betrayed him by telling me all his teenage fantasies about me. 'Oh by the way your last screw on the ferry is coming to stay for a few weeks until her flat is ready so your not going to be just banging me, your step mum, my sister and my mum in our bed but also your newest friend with benefits as well!'

'No Sis I am not!'

'Tracy shut the fuck up you know your mum, and my step mum,

lesbo sister in law!

Wendy starts laughing as Gareth playfully spanks Tracy on her
ass who now sits there pretending to sulk just like Jo when she
playfully teases Wendy about running off with Gareth and
shacking up together.

'Gareth, Linda told me last month that our latest Adult movies
are going up against each other in the best overseas films plus
your wife, our shared lover Jo, and your married girlfriend are
also up against each other for the best European Actress at the

same Adult Movie Awards In Las Vegas next month!

'Well Linda you know you have no chance against me. But between us lets have a little side bet if you win you get to fuck my husband on a sex tape for the website. If I win I make a gangbang sex tape with your husband and 12 other men for the website!'

'Deal!' Linda replied as they shake on it. Then the four then settle down to eat the meal before Wendy, Linda and Gareth go clubbing.

Chapter 18:

Gareth, Wendy And Linda Go Clubbing.

Once Tracy had left and Gareth had settled the bill all three hit the Portsmouth night clubs by about midnight Wendy and Linda are dancing on the clubs tables for a group of males in just their panties stockings, suspenders, heels their dresses on the next table with their bras, After their topless drunken table dances the two then drag Gareth up on to the dance floor where both Wendy and Linda still in only their panties, stockings, suspenders, heels take turns at giving him a drunken

lap dance.

About 1:30 Linda and Wendy have a drunken fondle with a black male in the ladies toilets before the club closes. Has it was so late for Linda invited Gareth and Wendy to stay at her flat for the night so Gareth drives the short distance to Linda's flat and has he parks up he notices his naked step mother on her balcony of her own flat being gangbanged by 7 men.

Chapter 19:

Linda's Couch For Gareth.

Once up in Linda's flat Gareth being the gentleman told the two ladies and he always used that term very loosely with Wendy and Linda plus also with Marian and Sue that they can have the bed to sleep off all that alcohol and being a gentleman he would opt for the couch so stripping down to his jock strap he got on to the sofa pulled the blanket over him and went to sleep.

But about 3 am the lights in the main living area came back on

waking Gareth up. Once fully awake he finds Linda and Wendy standing there hands on their hips still pissed but not so bad.

'Gareth get in my fucking bed with me and Wendy, Your girlfriend and your wife want to spoon some fucking cock!' a still slightly drunk Linda remarked.

'Yes we fucking do!' Wendy also still slightly drunk added.

The two now slightly pissed ladies then drag Gareth into Linda's bedroom stripping Gareth naked, and he is soon laying in between his wife and his married girlfriend his hand resting on his wife's waist his married girlfriend's shaved pussy pressed

tightly against his ass, her breasts mashed against his back,
both females pussies soaking wet.

A short time later while Gareth sleeps Linda still awake starts
wanking him off and he soon blows his load all over Wendy's
ass who is also still awake. Once Linda had finished both
females go to sleep.

Chapter 20:

The Ladies Have Some Fun.

Gareth is woken by childish giggles to find he is alone on the bed his wrists tied to the headboard his ankles to the bottom of the bed. 'What the fuck untie me now you fucking skanks!'

Linda stood there wearing only black PVC thigh high boots and cracking a leather horse crop, and Wendy wore only her heels from last night.

'No we wont You dirty fucker!' Wendy remarked.

'It is time for your fucking punishment!' Linda added a sly grin

on her lips as unknown to Gareth Linda had wanked him off onto Wendy's ass during the night and this was the reason he was now tied to Linda's bed.

'So how should we punish him Wendy?' Linda asked before kissing Wendy full on her lips.

'I think he should be made to watch us 69 beside him on the bed!' Wendy replied

'Wendy that is just fucking torture I love it!'

Wendy takes off her heels and Linda unzips her PVC boots, and then both females get back on to the bed, Linda on top of

Wendy, laying next to Gareth they start to 69.

Has the two females lick each others cunts Gareth starts to become hard again.

'Wendy the dirty bastard has become hard!' Linda remarked

'Me and Wendy have not given you permission to have a

fucking erection!' Linda added as she reached for the horse

crop, and slaps it playfully with some force against Gareth hard

cock causing him to whimper in pain.

'You big fucking cry baby Linda did not smack your cock that

hard!' Wendy then remarked taking the crop she gave her

husbands erection a good thrashing.

Wendy and Linda then swap over so that Wendy was now on top so she continued to punish her husbands hard cock.

Wendy slapping it hard with her hand.

'Dirty bastard neither of us gave you fucking permission to fucking pop on my ass last night!' Wendy remarked as she slaps his balls.

Wendy and Linda stop their lesbian 69 and get up off the bed, and then Linda fetches a leash, dog collar and a 5 ring gates of hell which they put on Gareth's cock the leash clipped on to a

small d ring at the end of the leather strap and the collar around his neck Wendy then unties his wrists then using one of her stockings she reties his wrists together and places a ball gag in his mouth doing the straps up tightly.

Linda slips her PVC boots back on and takes him on the leash out on to the flats balcony where the leash is clipped to the dog collar and then tied to the rail of the balcony and his feet are tied together with Wendy's other stocking.

Wendy and Linda then leave Gareth out on the balcony while they fetched more bondage gear for Gareth to wear.

Chapter 21:

Wendy And Linda's Bondage Session With Gareth.

They return Linda wearing a strap on dildo and Wendy holding bondage restraints and a leather face hood. Wendy firstly unties his wrists and feet then she puts a belt around his waist and secures his wrists to the belt by chains so he can not move his hands or arms. Linda puts ankle restraints on his ankles extending the bar to make him spread his legs so he wont be able to move then she hangs weights from his nipples while his balls are clamped and chained to his ankle restraints .

Wendy then put a bondage hood over his head this only has eye holes, nose holes for his breathing and a zipper for a mouth piece which they leave zipped shut. The two ladies then leave a naked Gareth out on Linda's balcony.

Wendy then kissed Linda before sinking to her knees and sucking Linda's strap on cock as if she was giving Gareth or a stud on film a blow job, and after a short while Wendy stops and then goes down on all fours in the open sliding glass door Linda soon behind Wendy, and giving her a good strap on fucking.

'Oh yes Linda fuck me show my husband how to make me

fucking squirt!' Wendy screamed grinning at the thought of the gates of hell rings clamping down on her second husbands swelling cock like a tool vice being closed.

After a while and many screaming orgasms Wendy and Linda stood up, and Linda took off the strap on dildo and followed Wendy out on to the balcony.

Wendy got her second husband on to his back opened the zipper on the leather hood and then to Linda's surprise Wendy just pissed in to the open zipper,

After she had finished Wendy turned to Linda 'Go on piss in my

second husbands mouth he loves a good golden shower!

Linda squats over her married boyfriends mouth and lets out a steaming stream of golden liquid.

Chapter 22:

Gareth Gets His Revenge.

Once Linda had finished pissing They whip off the bondage hood and takes the ball gag out of his mouth. 'Once you two have untied me and I am free of the restraints both your pussies are going to be given a good banging until my fucking jizz is raining off your fucking shaved cunts!'

Both Wendy and Linda grin then remove the ankle restraints, balls chains, and waist restraints before running back in to the flat shutting the sliding door and locking the glass door it

stopping Gareth from following them so he still stood out side now only wearing a gates of hell on his cock.

Then from the other side of the glass Wendy kisses Linda full on her lips thrusting her tongue down Linda's throat and her fingers in to Linda's pussy, after a short time Wendy let him in and the two ladies then pin him to the floor rip off the gates of hell and take turns sucking his cock until he is fully erect.
